## **YOUR VOICE MATTERS - PARISHIONER SURVEY**

Over the past few years, we have walked through a lot together; change, uncertainty, and new beginnings. As we continue moving toward becoming Divine Mercy Parish, it is important that we take time to hear from one another.

This weekend, we are inviting every parishioner from St. Joseph, St. Jude, and Our Lady of the Visitation to take part in a parish survey. It will only take a few minutes.

The survey asks about your hopes for the future, the traditions and ministries that matter most to you, and how we can best move forward as one parish family.

Your voice is important. This is not just a formality. It is one of the ways we take care in making decisions. The results will help guide our parish leadership, and they will also be shared with the Archdiocese as part of this process.

This survey is only the beginning. In the months ahead, we will share updates and keep you informed through regular communication.

So please take a few minutes to complete the survey. You can access the survey using the QR code below or the link: <https://bit.ly/4vNOgnu>

If you would prefer a paper copy, they are available upon request.

Thank you for being part of this parish family. We are moving forward together and that begins with each of us taking part.

In Christ,
