

DONATION SOLICITATION POLICY

The Divine Mercy Family of Parishes, St. Jude School, and Our Lady of the Visitation School are grateful for the support and monetary donations, products, and services received throughout the year from our parishioners and local businesses.

In the interest of fairness and necessity, we have created a policy in regard to product donations. All product donations must have prior approval in writing; we cannot accept any unsolicited items containing business advertising that are expected to be distributed to parishioners or school families. There are sponsoring opportunities available (parish bulletin, festival, school walk-a-thon, athletics, etc), at both the parish and school.

If your business would like to donate an item or sponsor an event, please contact:
